

Summer Camp 2021

The Program

- Children must be between 5 & 12 years of age to participate in camp.
- Sessions feature activities for riders at the beginner through intermediate level.
- In addition to group riding instruction, campers will also learn grooming, braiding, bandaging and the uses and types of tack and equipment.
- Campers will also participate in all aspects of stable activity, including feeding and general horse care.
- Our program uses several horses and ponies, who have been carefully selected for their manners and program suitability. These horses have proven to be invaluable for their experiences.

Equipment Requirements

- All equipment must be labeled with the child's name.
- Children are required to have their own ASTM-SEI certified riding helmet with a safety harness (no bike helmets!). This is a N.Y. State law.
- Paddock or tall riding boots with a 1-inch heel (rain boots with a 1-inch heel are acceptable).
- We encourage each child to have a water bottle and light snack each day.

Additional registration forms can be found on our website.

BEC will mail paper work to be completed and returned.
